

St Mark's Community of Faith Project

In the fall of 2020, after 8 months of isolation from our church family, St. Mark's Executive Council launched the **Community of Faith Monthly Project**, to focus our attention on something positive!

In October 2020, we began with the Kindness Project, inviting our congregation to do remote random acts of kindness.

November 2020, with an updated and fresh website we encouraged: Sharing. Inviting the congregation to share our new website with a friend, family or neighbour.

December 2020 was about: Speak up speak out – spread some cheer! With everyone's smile hidden by their masks, we encouraged congregants to say hello and Merry Christmas!

The January 2021 project was: Gift of Time – give your time to make someone else's day – walk a dog, deliver a homemade treat, etc.

February 2021 project was: Spread some love! – send a valentine's message to a nursing home, community member that lives alone, or just anyone!

The March 2021 project was: 'March' for Optimism! There is lots to look forward to, so train yourself to be optimistic!

The April 2021 project was : Gratitude! Live each day with an attitude of gratitude. ***"This is the day that the Lord has made; let us rejoice and be glad in it. (Psalm 118:24)***

The May 2021 project was: Kindness - where communities were challenged by Restoring Kindness Canada to do 30 acts of kindness in 30 days.

Love. Grow. Serve.
