In The Beginning

Genesis 1 v 1 - 5

Find the highlighted words in the grid!

In the beginning God created the sky and the earth. The earth was empty and had no form. Darkness covered the ocean, and God's Spirit was moving over the water.

Then God said, "Let there be light!" And there was light. God saw that the light was good. So he divided the light from the darkness. God named the light "day" and the darkness "night." Evening passed, and morning came. This was the first day.

Creation : Day Two

Genesis 1 v 6 - 8

Find the highlighted words in the grid!

Then God said, "Let there be something to divide the water in two!" So God made the air to divide the water in two. Some of the water was above the air, and some of the water was below it. God named the air "sky." Evening passed, and morning came. This was the second day.

Creation : Day Three

Then **God** said, "Let the **water under** the **sky** be gathered together so the **dry land** will **appear**." And it happened. God named the dry land "**earth**." He named the water that was **gathered** together "**seas**." God saw that this was **good**.

Then God said, "Let the earth **produce** plants. Some **plants** will make **grain** for **seeds**. Others will make **fruit** with seeds in it. Every seed will produce more of its own kind of plant." And it **happened**. The earth produced plants. Some plants had grain for seeds. The **trees** made fruit with seeds in it. Each seed **grew** its own kind of plant. God saw that all this was good. **Evening** passed, and **morning** came. This was the **third day**.

Dirt Worm Lesson

Genesis 1:9- And God said, Let the waters under the heaven be gathered together unto one place, and let the **dry land** appear: and it was so.

Genesis 1:10-And God called the **dry land** Earth; and the gathering together of the waters called he Seas: and God saw that it was good.

Have you ever wondered where dirt came from? God made the dirt. He formed it and called it dry land. That is so amazing to think that he made the dirt! God made dirt so things could grow in it. Plants and pretty flowers spring up out of the ground, and God gives them a drink of water from the rain. The dirt has tasty nutrients in it for the little flowers to grow. They need to eat just like we do. God made the flowers to absorb the food through the plants roots. Roots are like little stringy straws that drink up the food. I think God is so neat how he made all of that. God made the little worms that love to travel through the ground. They have all kinds of little tunnel roads underneath where you can't see. Do you know what worms do to dirt? They make the ground nice and fluffy to plant in. They till it up underneath where you can't see.

Did you know that God used the dirt to spit in it and make mud, and then smeared it on this man's blind eyes. He told the man to go wash his face in the water and he would be healed. Have you ever wondered why he used spit dirt? God also made man from the dust of the earth. How cool is that?

The next time you are outside playing in the sandbox just take a real good look at it and remember that God made that stuff. Then just look up to Heaven and say, "You are awesome God for making everything. I love you!"

Creation : Day Four

Genesis 1 v 14 - 19

Find the highlighted words in the grid!

Then God said, "Let there be lights in the sky to separate day from night. These lights will be used for signs, seasons, days and years. They will be in the sky to give light to the earth." And it happened.

So God made the two large lights. He made the brighter light to rule the day. He made the smaller light to rule the night. He also made the stars. God put all these in the sky to shine on the earth. They are to rule over the day and over the night. He put them there to separate the light from the darkness. God saw that all these things were good. Evening passed, and morning came. This was the fourth day.

Creation : Day Five

Genesis 1 v 20 - 23

Find the highlighted words in the grid!

Then God said, "Let the water be filled with living things. And let birds fly in the air above the earth."

So God created the large sea animals. He created every living thing that moves in the sea. The sea is filled with these living things. Each one produces more of its own kind. God also made every bird that flies. And each bird produces more of its own kind. God saw that this was good. God blessed them and said, "Have many young ones and grow in number. Fill the water of the seas, and let the birds grow in number on the earth." Evening passed, and morning came. This was the fifth day.

So God created man in His own image
